A VENUE FOR ALL STYLES AND SEASONS

Tucked away in the heart of Rutland, Barnsdale Gardens is a blank canvas waiting for your unique wedding ideas to be brought to life.

The garden venue is open throughout the seasons, giving you a choice of settings and styles for your big day. Take your vows among the buds and blossom of early spring, in the height of summer surrounded by an abundance of flowers, under the autumnal colours of the mature trees or as winter brings out the berries and snowdrops.

The versatile space can be used in a myriad of ways – the only limitation is your imagination. For example, you can hold an intimate, daytime partnership ceremony followed by a picnic in the gardens, or have a civil wedding and seated reception that continues into the night. Whatever your dream day, we'll help you make it happen. And if you simply want to use the gardens as a stunning backdrop for your wedding photos, you can do that too.

We are flexible, so you can be creative!

Every wedding at Barnsdale Gardens is unique, but what all brides and grooms share is the relaxed atmosphere, personal service and natural beauty that make it such an inspiring place to begin your married life.

“

Thank you so much for all you did to make our wedding day wonderful! The gardens looked stunning and the food was absolutely delicious. And Charlotte, you were so kind and helpful in the planning and on the day - you made it so easy for us!

THE CEREMONY

The arbour is the focal point for the wedding ceremony, set in a private garden area and surrounded by mature trees and lush flower beds.

It is approved and licensed for civil weddings and partnerships, conducted by a registrar or wedding celebrant, and up to 120 guests can witness the ceremony from the lawned area in front.

There is no obligation to hold the marriage ceremony at Barnsdale Gardens but, if you do, this area is your own private space during the wedding, accessible only to you and your guests.

“

We just wanted to take a moment to thank you all for your expertise in planning our wedding day. It went absolutely beautifully, down to the littlest details...this would not have been possible without you and all your help and support!

INTIMATE WEDDINGS (UP TO 40 PEOPLE)

If you're holding a smaller-scale wedding, leave it all to the Barnsdale Gardens team. We'll take care of everything, so you don't have to.

Our capri-tent can be used for stand-up drinks or a sit-down meal and our in-house caterers will create a menu of your choice, whether you want canapés or picnic baskets, an afternoon tea or a sumptuous buffet.

And if you want something completely different, we can (usually!) do that too. We pride ourselves on being adaptable, accommodating and flexible – so just ask.

THE PHOTOS

The opportunities to capture some truly stunning photographs are exceptional. There are 38 different, individual gardens within the grounds giving you a huge choice of backdrops, from the informal and romantic planting in the Cottage Garden to the tranquil minimalism of the Japanese Garden. Maybe you prefer the formality of the Knot Garden, the bucolic surrounds of the Orchard or the quirkiness of the allotment garden? We can even supply wellies and wheelbarrows!

Wherever you choose, you and your photographer will be spoilt for choice so leave plenty of time for the photos!

“

We were so thrilled with how our wedding day went at Barnsdale Gardens. We didn't want a typical wedding venue, and Barnsdale Gardens allowed us to create our own day in beautiful settings.
